Friday 8 April 2011

Dear Bryan & Sally,

I would like to take this opportunity to thank you for kindly reducing the costs of your crockery for our afternoon tea on Monday 4th April 2011. Your employees were extremely efficient with the delivery and collection of the crockery and it was all in spotless condition for the guests.

I am delighted to inform you that the tea raised over £35,000 from the generous donations of the guests – an astonishing amount! A lot of people commented on how much they had enjoyed the tea and it was a very successful afternoon for the air ambulance.

Once again I would like to thank you for your very kind support and wish you all the best for 2011, with the fervent wish that we will be working with you in some shape or form in the not too distance future.

Yours sincerely

Adrian Bell
